

1960: 11-4; IHSAA State Runner's-Up; Schulhof Wins Third Consecutive Fly Title

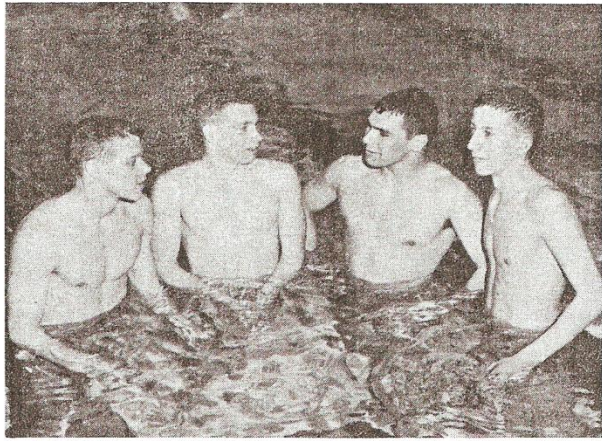

Swimming Team

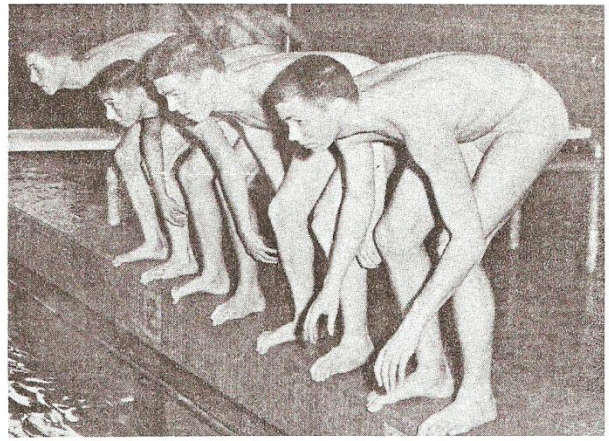

The Burriss swimming team, coached by Robert Korsgaard, brought honor and prestige to the school with one of its most successful seasons to date. The outstanding performances of the team were due to its remarkable balance; there were strong swimmers in every event. The Owls finished their season with an 11-4 record, losing only to a strong Columbus team twice, and to New Albany twice. The team went on to finish second in its own Invitational. The greatest thrill of the season came when the tankmen placed second in the State Meet at Purdue. The Columbus team, which was rated second in the nation during the season, was the only team that placed above Burriss in the Invitational and the State.

In the State Championship meet, junior Miley placed 3rd in the 50-yd. free style. Phil Brown, a junior diver, also placed 3rd, in his event. The Moffitte brothers, Ted and Tom, both placed in their respective events, with Tom finishing 6th in the 400-yd. free style and Ted placing 5th in the 100-yd. backstroke, even though he was plagued by an acute leg injury. Senior Lary Schulhof, an All-American in his event, placed 1st in the 100-yd. butterfly for the third straight year. The 200-yd. medley relay team consisting of Ted Moffitte, Davis, Schulhof, and Slavin, finished 2nd, and the 200-yd. free style relay team, composed of Voran, Legg, Stafford, and Miley, placed 3rd.

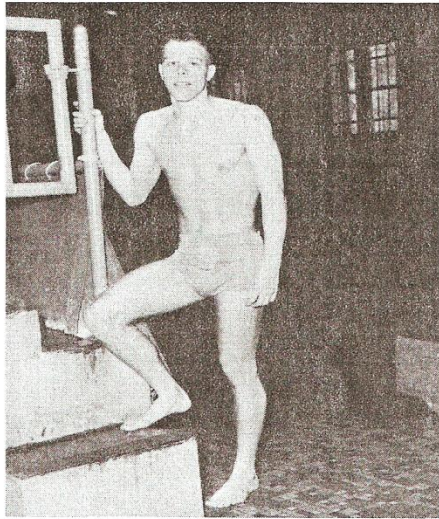

Lary Schulhof, who was undefeated all season long in the 100 - yard butterfly, brought special acclaim to himself and Burriss by breaking the national interscholastic record in this event. His time of :54.7 bettered the old record by almost 3 seconds. Schulhof and six other seniors will be lost by graduation, but this year's underclassmen turned out such fine performances that prospects for next year are very good.

Lary Schulhof

Lary finished his high school career this year after breaking more than 60 school, pool, and state records. Schulhof, an All-American in his event, also broke the national record for the 100-yard Butterfly by almost three seconds. Burriss will always remember and be proud of Schulhof's performances.

SWIMMING TEAM

The 1960-61 Owl swimming team, coached by Robert Korsgaard, enjoyed another good season. The team was a mixture of outstanding seniors and promising underclassmen.

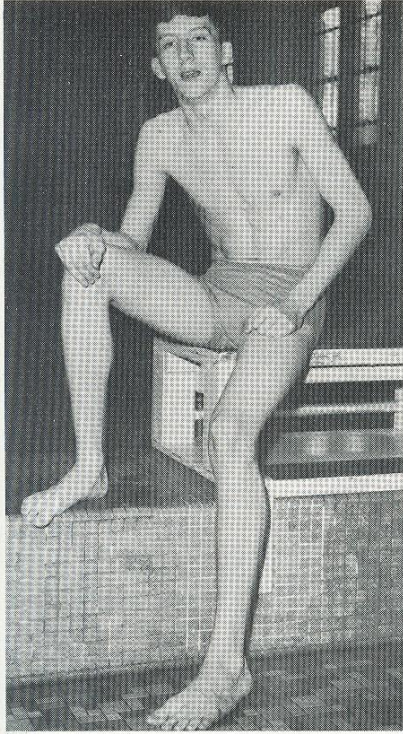

The Owls splashed through their regular season with only two losses to Columbus blemishing their record. They won the Kokomo Invitational, placed 2nd (to Columbus) in the Burris Invitational, and placed 4th in the State meet.

In the State meet, the Owls were led by five seniors. Jim Miley placed 2nd in the 50-yard freestyle and anchored the 200-yard freestyle relay team which also placed 2nd. Ted Moffitte placed 3rd in the 100-yard backstroke and set a new school record in that event. Ted was also a member of the freestyle relay team. Ted's twin brother, Tom, placed 5th in the 400-yard freestyle and also 4th in the 200-yard individual medley. Phil Brown received 6th place in the diving and Rudy Stafford a 6th place in the 200-yard freestyle along with being a member of the freestyle relay squad. The 4th member of the relay team and also the only non-senior to score in the state meet was Jim Devoe.

Although the team will be hard hit by the graduation of the hardworking seniors, a fine upcoming group of juniors and sophomores give promise of more successful teams in the future.

SWIMMING TEAM

The 1961-62 Burris tankmen, under the capable direction of Coach Robert Korsgaard, came splashing through with a regular season record of five wins and six losses. They also won a three-way meet, placed eighth in the Burris Invitational and captured fifteenth in the State meet. The Owls were hit extremely hard by graduation, but with the aid of some experienced seniors and up-and-coming underclassmen, the Burris team gave a good account of itself.

Seniors Phil Davis, in the 100-yard breast stroke, and Bill Marsh, in diving competition, consistently placed well for Burris. Outstanding leadership was provided by juniors Andy Garling, individual medley and 100-yard butterfly, Ronnie Martin, 100-yard backstroke, and Larry Clock, 400-yard freestyle. The freestyle relay team, consisting of Dan Casey, Bruce Jones, Bill Michael, and Larry Clock, chalked up several victories in regular season competition. The medley relay team of Ronnie Martin, Phil Davis, Mike Sherry, and Ronnie Peters, also added to the team's scoring power throughout the season. The powerful medley relay team of Martin, Davis, Garling, and Clock placed sixth in the State meet.

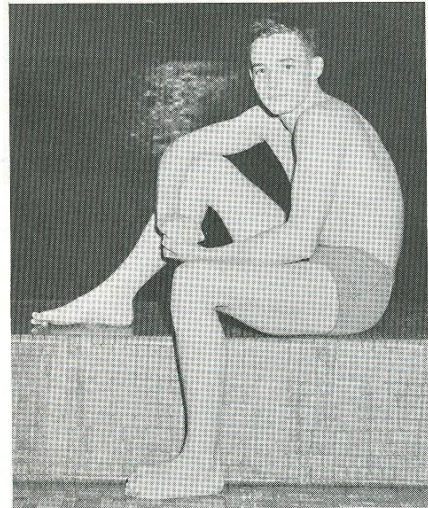

Next year should bring much improvement in the Owls' swimming team, with many promising underclassmen coming up. The team and Coach Korsgaard deserve congratulations for a fine season.

SWIMMING

The 1963 swimming team under the capable leadership of Robert Korsgaard ended the regular season with eight victories and only three losses. This team, one of the strongest aggregates in the school's history, broke eight of eleven school records: Clock in the 400-yard freestyle; Garling in the breaststroke; Martin in the backstroke; Casey in both the 100- and 200-yard freestyle; the freestyle relay team composed of Winters, Michael, Caldemeyer, and Casey; and the medley relay team of Martin, Garling, Sherry, and Casey.

The Owls placed third in the Burris Invitational and fourth in the sectional, thereby qualifying four individuals and both relay teams for the state meet. In the state meet Burris placed ninth. The powerful medley relay team placed third, and backstroker Ron Martin placed sixth. First year diver Steve Dixon was among the top ten in the state. An unfortunate disqualification on a turn eliminated Andy Garling, who had the third best time of the breaststrokers in the state.

Swimming

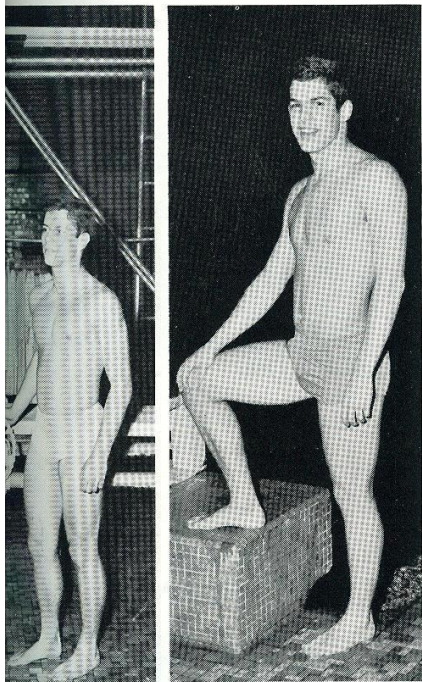

Senior freestyle ace Dan Casey

It was a dry year for the Golden Owl swimmers. Not literally, of course, but the team definitely suffered from the loss of many lettermen who graduated last spring. An over-all season record of one win and eight losses never looks too impressive on paper, but the spirit and sportsmanship displayed by every member of the squad far over-shadowed the final record.

The team always manages to produce some outstanding individual performers. This year those in the spotlight were senior freestyle star Dan Casey and junior freestyle specialist Allan Caldemeyer. Together they set a total of three new Burris freestyle records—Casey in the 200 and 400 yard events and Caldemeyer in the 100 yard event.

Coach Robert Korsgaard and Assistant Coach John Primmer were also pleased with the performances of senior divers Dave Claypool and Steve Dixon. Both placed consistently all season.

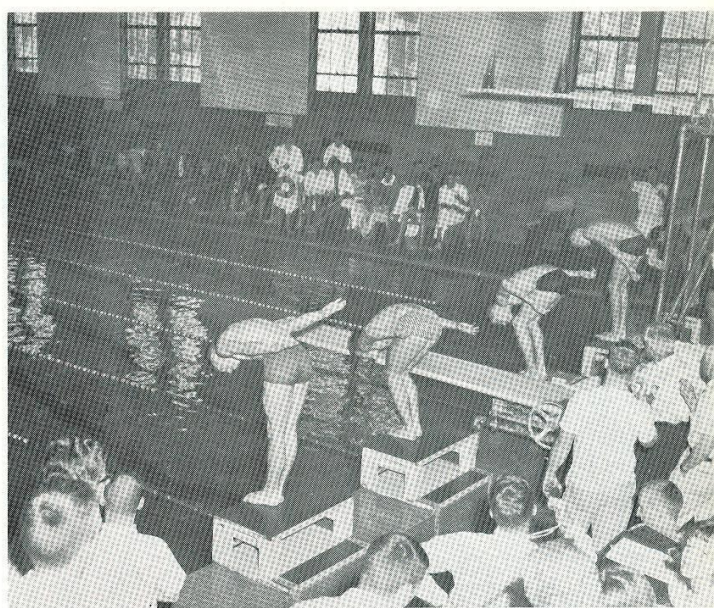

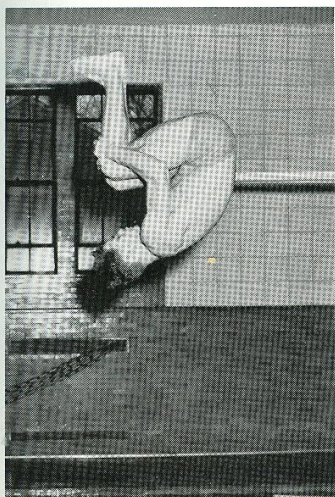

To finish the season on the bright side, the team placed fifth in the sectional and third in the Blue Division of their own Invitational meet. Casey, Claypool, and Caldemeyer all qualified to enter the state meet and placed well there.

1965: 0-?; Coach Dr. Jack Cousins Takes Command

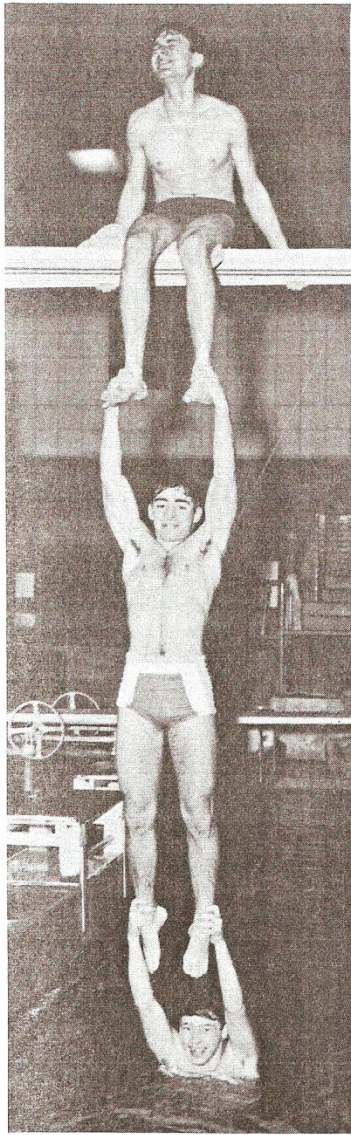

■ Swimming

DR. JACK COUSINS found things a bit lean in his first year as the Burris swimming coach. With one of the toughest schedules in the state, the Owls couldn't find the winning side in any of their dual meets, although they lost a 47 to 48 decision to Anderson. However, there were individual bright spots in the season and a brighter future seemed just ahead.

Al Caldemeyer, one of three seniors on the squad, set two school records and finished sixth in the 100 yard freestyle event at the state meet. Consistently good scoring by divers Bruce Phillips, a sophomore, and Pat Black, a freshman, bore the promise of better things to come. Among the returning lettermen are juniors Bob Leslie, Jon Sallee and Sam Wearly, and sophomores Dave Martin and Bill Parry.

1966: 6-7; Coach Bob Gordon Arrives

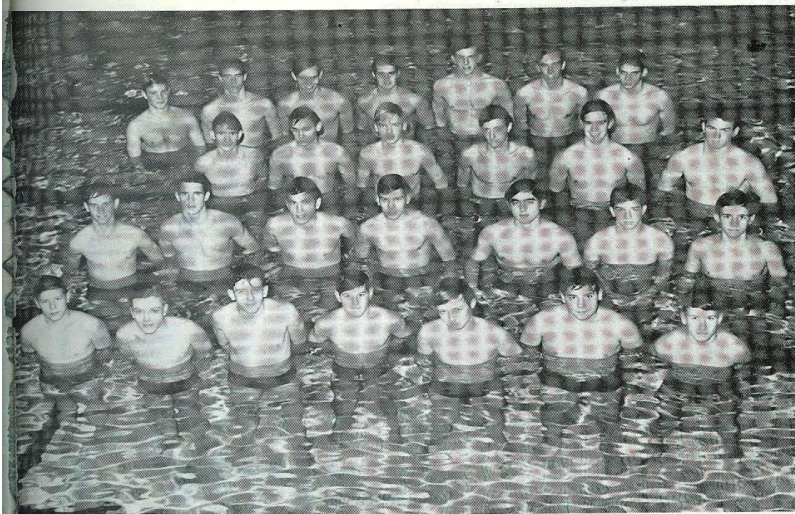

Swimming

MR. ROBERT GORDON coached the swimming team to a very successful season. Swimming against some of the state's best teams, their total record was a respectable six wins and seven loses.

There were some outstanding individual efforts this season with seniors Sam Wearly, Jon Sallee and Bob Leslie scoring many points, aided by Dave Martin, Bill Parry and Bruce Phillips. Bruce placed 8th in diving at the state meet. An even better season is expected next year.

● Swimming

Burris turned up a wet and wild swimming team this year. Diver Bruce Phillips went undefeated through the season and brought home honor when he placed 5th in the IHSAA Finals. Rodger Baldwin swam the individual medley and with combinations of Dave Martin, Scott Cardle, Fred Clark, Bill Parry, Dave Richardson, Bob Marsh, and Jeff Harper, it made a pretty rugged varsity line-up in the relays and individuals. Richardson, Martin, and Cardle were noted Freestylers. Frosh lettermen (a rarity) Bob Huston and Steve Leslie hold hopes for the future, even though prospects look rather dry with a team of experienced, graduating Seniors.

Reach Out

2, 4, 6, 9, . . . just Wait till next time!

This was the chant of the Burriss swimmers at the close of the last home meet against Central. More appropriate words couldn't have been found. It was a team which would promise definite success in the future. Under the energetic coaching of Robert Gordon, they compiled a record of 5-10. But there was never a dull moment as the team provided a close contest all the way to the 400 yd. Medley Relay. The sole Senior aquaman was Dave Richardson, who captained the team and instilled monumental spirit and desire. Thus the bulk of the power rested with the Sophomores and Juniors. Sophomore leaders were Phil Eley, Steve Leslie, Dick Lewellen, and Edgar Wagner who all swam freestyle and Bob Huston and Steve Dunham who swam everything. Able Junior competitors were Dave Meeks, backstroke; Rob Stevenson, freestyle; Dave Smith, butterfly; and Jeff Harper and Mike Rawlings, breast stroke. Tom Robbins and Bill Yeo handily took care of the diving chores.

The highlight of the season was the record time of 3:46.4 set by the relay team of Richardson, Stevenson, Eley, and Dunham in the 400 yd. Medley Relay. Prospect: An UNLIMITED FUTURE.
