

**When the Titans ruled the earth in days of old,  
Their god of water was a scolding deity bold.  
His name was Oceanus, of the wet,  
deep cold, And he inundated  
invaders of his  
watery hold.**

Northside Boys Swim Team Captains for 1975-76 are Greg Beyerl and Terry Sites. Both men are seniors and are outstanding leaders for the Titans. Greg returns as an All-Stater in 2 events last year. He scored 40 points in the conference, added another 40 in the sectional, and topped his championship season with 29.5 points in the state meet. His versatility is significant, as he could probably score in 8 different events at the state meet.

Terry "T" Sites returns from a solid summer of training at Indiana University with Dr. James Councilman. Terry has already accomplished a number of lifetime best times in practice this fall. Recently named an outstanding scholar in competition sponsored by the National Merit Scholarship Board, Terry swims the Short Freestyle with quality; he is a swimmer the team counts on in pressure situations. He is a member of the medley relay that holds the conference record.

Other senior returning for their final year at North are Phil Perry, Scott Reed, Earl McKinney, Scott Ellison and Mike Darter. Perry, defending conference and sectional champion in the 100 Breast, returns to defend those titles and hopefully better his 9th place finish in the Breast in the 1975 IHSAA championships. Scott Reed swims Fly, Back, and Free for the Titans. Scott qualified for the state last year as a member of the 400 Freestyle Relay. Earl McKinney, a senior diver, threatens the school diving record each time he gets on the board. Earl's marked improvement over last year lies in his intelligent approach to diving. Scott Ellison, a surprising plus for the Titans, swims 50, 100, and 200 Free. Last season Scott scored a 7th place in the 400 Freestyle Relay in the State championships, in addition to a 3rd place in 100 Free finish in the sectional. Rounding out the seniors is Mike Darter. A spirited competitor, Mike gives the Titans depth in the Fly and in the Medley Relay.

Returning underclass lettermen for the Titans are profuse. Leading the list is Keith Peterson. Keith surprised everyone in last year's sectional with a 2nd place in the 200 I.M. and a record setting victory in the 500 yard Free. Junior Ken Kratz also consistently threatens the Titan diving record at each meet. Top sophomore for the Titans is Brian Allardt, who is also developing as a sprinter. Brian pulled down a third place in the sectional last year in the 100 Breast. A sophomore who can swim everything is Frank Voss, who will swim I.M. this year. Sprinter Jay Jackson returns, hoping to better his total of 16 points in the 1975 sectional. He could set school and conference records in the 50 Free. A pleasant surprise last year was Steve Watkins, who scored in the 500 Free and 100 Back in the sectional. Our third varsity diver is Stewart Hults, who is much improved over last season. Both Craig Reed and Arnold Hidalgo are swimming all strokes for the Titans, giving us added punch in the I.M..
