Season Highlights:

First time in 12 years

Boy swimmers conquer rival Yorktown

Ending the season with a nearly perfect record for the second year in a row, the boys' swim team's season included the end of a 12 year drought. The boys came out on top against Yorktown for the first time in over a decade, beating the Tigers by more than 20 points.

"Beating Yorktown was pretty sweet. After watching us lose all these years and how close we came last year, it's rewarding to know we finally got them," junior Dan Proctor said.

Yorktown was defeated with the assistance of two

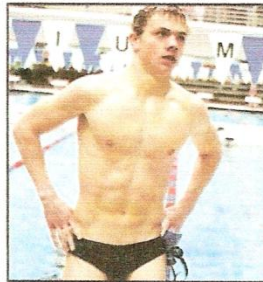

scoring divers, a point luxury the team has not had in previous years.

"It was the best beating Yorktown. I got a new personal best, and I'm glad it was against the Tigers," sophomore diver Zane Parker said.

Beating Yorktown gave the boys a much needed end-of-season boost.

"Beating Yorktown was sweet. It was awesome to be a part of the team that ended the 12 year drought," sophomore Zach Haller said.
